

Ampakama
Malbec Merlot 2009
San Juan, Argentina

Founded in 1992, Casa Montes is one of the most dynamic and fastest growing winery in San Juan, the second largest wine producing province in Argentina. This family owned cellar was conceived to produce high quality wines at excellent prices. Casa Montes produces 2 million liters per year of 11 different varieties of grapes.

Casa Montes offers a new concept in the wine business of Argentina by investing in its own province, by helping people with its fund raising program “Help People Future” <http://www.helppeoplesfuture.com/> and by minimizing the environment impact through the protection of natural forests of 200-year-old trees. Casa Montes is placed as an important representative in the world of wines for the upcoming years.

Tasting notes: Dressed in violet red, its primary aroma discovers plums, cherries, spices, pepper and eucalyptus. Complex, with harmony between the two varietals. A wine of great intensity, with stabilized acidity, which makes it very pleasant and persistent.

Pair with: An ideal with red meat dishes.
