Mendoza, Argentina

91

Points, The Globe and Mail

CanTinian Wines began in 2007 when Canadians, Dana Rothkop and Debbie Crichton, purchased a spectacular and well-established vineyard in Mendoza, the best Malbec-growing region of Argentina.

"Cantinian Reserve Malbec-Cabernet Sauvignon 2009 is vibrant, spicy, full-bodied and powerful wine. This is smooth at first, with intense dark fruit and chocolate and then a punch of bracing spice."
